The Football Season

By SAM GWYNNE

SHEPHERD SIKES
Captain-Elect

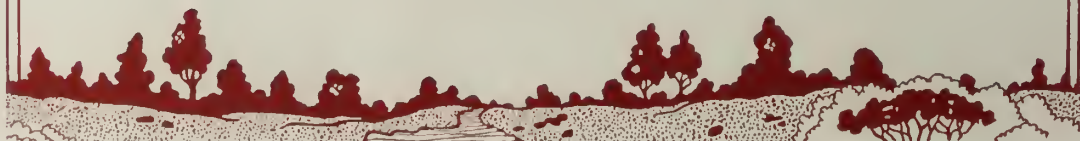

At the beginning of the season, Mr. Sager and Mr. Palmer were blessed with an unusual amount of excellent backfield material. However, the prospects of a strong line seemed in contrast to the backfield. It was a light team as well; and at first, due to the constant juggling of positions, it seemed unbalanced; but as the season progressed each boy adapted himself to his berth and before the season ended one of the smoothest working teams which Mr. Sager has ever coached had been developed.

The season opened on September 30 when the team played Reading High School on Morse Field. Governor Dummer scored first when center George Douglas, intercepted a pass and lateralled to Captain Young who ran fifty yards to score. The conversion failed, and at half time the count stood at 6 to 0. In the fourth period, Reading marched seventy yards down the field for a touchdown. A perfect place kick

put the visitors in the lead 7 to 6, and the game ended shortly afterwards with the score unchanged.

On October 7, the Governors opposed Middlesex in a game which the Red and Whites won by the score of 12 to 0. In the first period, Shep Sikes took a twenty-five-yard pass from Bots Young to score; and in the third quarter, George Douglas made a diving interception of a Middlesex pass and ran sixty-five yards to score. One of the outstanding players of the game was lineman Frank Hinkley, who made at least half of the down-field tackles.

The Kimball Union team came up to South Byfield on the 14th of October for the third home game. The scoring started when Shep Sikes crossed the end stripe standing up. Bots Young then broke away for a twelve yard run and another touchdown. The final tally came when Shep Sikes ran 60 yards to score. The game ended with the final score of 18 to 6 in the Governor's favor.

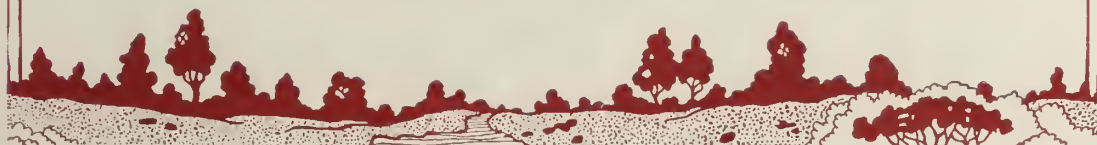

On Monday, October 23rd, the Governor Dummer team played Milton. Milton tallied in the opening period; but in the second, the passing combination of Young and Douglas cashed in for a touchdown. This score tied up the count until Milton crossed our goal line after recovering a fumble. Keith Johnson and Captain Young both played outstanding ball, but George Douglas was the best player of the team. The final score: Milton 12, Governors 6.

On November 4th, an undefeated Moses Brown team opposed the Governors on Morse Field. Keith Johnson opened the scoring when he crashed off tackle for six points. In the second period, Douglas scored; and Moses Brown came back to score before the half ended. The game ended as Moses lost the ball to the Governors on our six-yard line. The final score was 12 to 7 in our favor.

The final game of the year was at Tabor on November 11th. Bots Young scored in the opening period. Johnson ripped away in the next for a twenty-yard touchdown run. In the last period, Tabor scored; and the game ended with the score at 13 to 7 for the Governors. The Governors played their best game of the season against Tabor and the stars were Brad Roberts, Shep Sikes, and Paul Withington.

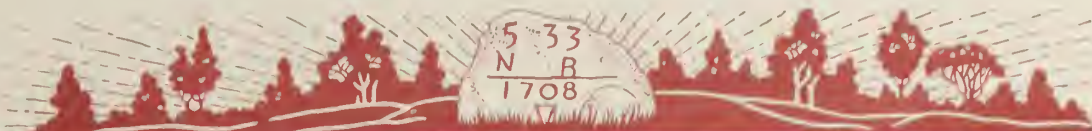

At the fall dinner, it was announced that the "Most Valuable Player" trophy went to Bots Young and that the next year's captain will be Shep Sikes.

The Soccer Season

By GEORGE DUFFY

LYMAN K. STUART, JR.

Captain-Elect

When the 1944 soccer season opened, the prospects for the team were not too bright. There were only four lettermen returning: Miguel Ortega, Pete Dennett, Tim Catlin, and Captain Bob Waugh.

The first game was played against a very strong Harvard "B" Team and the Governors lost by a score of 5-0. The team showed a great deal of improvement against Andover, but were defeated 5-0. The next game was also lost to Belmont High by a 3-2 score in a thrilling game. Miguel Ortega scored both points for the Red and White's. Next the team travelled to Milton. The final outcome was Milton 2, Governors 1. The team had a great many chances to score in this game, but good plays on the part of the Milton goalie thwarted them. The following Wednesday the team lost to a very superior Exeter Team, 6-0. In this game, the Governors played their best game of the season and gave Exeter a battle

throughout. The next game the Red and Whites were again on the tail end when Medford High defeated them 4-1. Again Miguel Ortega was the point man. Striving desperately for a victory, the team was defeated in their last game with Tabor Academy, 2-0.

Although the team was winless this year, each and every boy on the squad gave everything that he had with a willing spirit. The individual improvement as well as the team improvement was very evident; and the coaches, Mr. Navins and Mr. Stone, were very proud of this team. Captain Bob Waugh was a very able leader as well as one of the best men on the field. Pete Dennett was a bulwark on defense and offense alike. Al Statler and Tim Catlin were outstanding at the fullback positions. The captain for next year, Chip Stuart, played an excellent wing position and Brad Davis in the goal was remarkable. As most of the team will be returning next year, the outlook is very promising for a good season.

The Hockey Season

By GEORGE DUFFY II

PAUL WITHINGTON
Captain

The Red and White engaged in a full schedule of fourteen games during the 1945 season and made a good record,—seven wins, five losses, and two ties. The team opened the season by tying for runner-up honors in the Private Schools Hockey Conference, in Boston. In this series the Governors won from Milton and Thayer, but lost in the finals to a strong Belmont Hill team.

During the regular season the team looked good against all its opponents. On January 10th Bots Young skated a one-man show against Browne and Nichols as he whipped in all five goals for a 5-2 triumph. In the next game a last minute goal by Young gave us a 1-1 tie with Middlesex. Thayer Academy was the next victim, as they were defeated in overtime, 2-1. Three days later we entertained a very strong sextet from Stoneham High. Their superiority was evident as they chalked up a 9-2 win. The next day the team edged out a strong Brooks team, 2-1. On

January 27th we tied Noble and Greenough on goals by Dennett and Teel; and on the following Wednesday we routed Brooks again by 6-1. The team was handicapped by the illness of our goalie, Davis; but his substitute Ash Eames, did remarkably well.

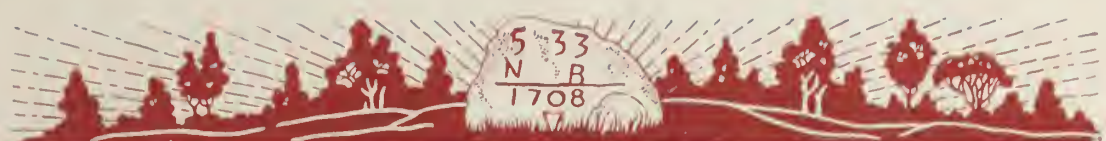

Upon completing this schedule, the Governors were invited to a hockey conference at Dartmouth. Here the team did well in spite of losing two out of three games: to New Hampton, 5-2; and to Mount Hermon, 6-1; while we routed Tilton, 12-0.

The season as a whole certainly was a very successful one,—among the best in the School's history. Captain Paul Withington led and guided the team as though inspired. Bots Young, Allen Teel, Pete Dennett, Ormie Aldred, and Brad Davis as goalie, all will be remembered long by those who watched them. The younger players show fine promise for the future. Warm thanks and sincere appreciation go to the coaches, Mr. Murphy and Mr. Koslowski, whose patience, understanding and skill are beyond praise.

The Basketball Season

By TIM CATLIN

GEORGE S. DOUGLAS
Captain

This year Coach Navins was faced with the prospect of the return of only one letterman, Warren Hill,—a difficulty soon overcome with the appearance of George Douglas, Keith Johnson, John Kimball and Lou Hamper, and three boys from last year's squad,—Tom Brown, Frank Hinckley, and Warren Symonds. The season was satisfactory from the coach's point of view, since, of six losses, four were not decided until the last sixty seconds of play. This team had so much spirit and were so keyed up before the games by their desire to win, that their play was sometimes affected.

The year opened with a home game against Rockport High. Our team showed its superiority by winning 30 to 17. George Douglas and Keith Johnson were conspicuous by their offensive play, with Tom Brown excelling in the defense. The Governors then entertained the Story High quintet of Manchester in a thrill-

packed game showing surprising power. The score was our way, 39 to 34. And again George Douglas was largely responsible for the Governor's victory with his outstanding offense.

The most exciting game of the season was the last one played on the home court when the team gave battle to a strong Winchester High team, and lost 54 to 53.

Throughout the season, the leadership of Captain George Douglas held the team in the fight through many a trying time. His offensive play kept the team on its toes, and his scoring power was a constant threat to the opponents. Hinckley, Brown and Symonds developed into extremely valuable players as the season advanced, especially good off the backboards. Hill and Hamper were very good deceptive ball players and set up many of the baskets. Johnny Kimball gave a most creditable account of himself and was a very valuable reserve. Though the majority of the first team will graduate, it is hoped that next year again Governor Dummer will be able to turn out a team that will make as fine a record.

The Wrestling Season

By TED MIXER

MIGUEL ORTEGA
Captain

Under the direction of Mr. McKnight assisted by Mr. Sager, our team faced a very strong and experienced series of wrestling opponents this year.

At the beginning of the season there were some of the greenest possible boys out for the sport; and the time was very short for the coaches, able as they were, to work them into shape. With but three weeks before the match with Phillips Exeter, Coach McKnight drove the boys relentlessly in order to get them in condition.

In our first meet, January 24th, against Exeter, Captain Ortega and Bill Silver were the only two victors for G.D.A. and the final score stood at 31 to 6 for Exeter.

Two weeks later the team was defeated by Roxbury Latin in a match in which Bob Vaughn won two points.

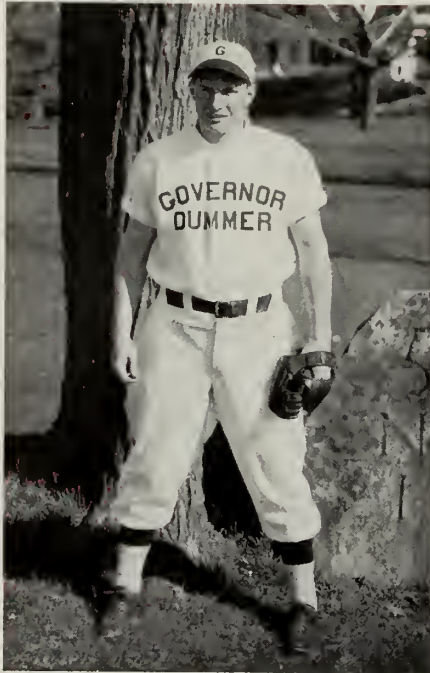

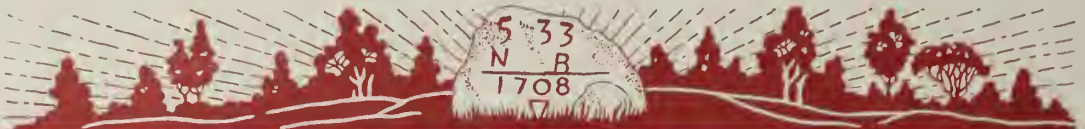

On February 10th the team wrestled one of the most experienced squads in the country; and we were very handi-

capped, as neither of the coaches was able to be there. The team, however, made a good fight under the guidance of Miguel Ortega and inspired by the statement of the two substituting coaches, Mr. Currier and Mr. Navins, who said: "We think that you can win if you just get out there and stay on top." The final score was Milton 39 and the Governors 0.

The fourth meet was with Andover, on February 4th. Ortega gained a decision and Shep Sikes pinned his man. The final score was 24 to 8 in favor of Andover.

The team wound up its season with a meet against Tabor here. Although the Governors won more single points, the opponents won the match by the small margin of 16 to 15. The loss of this match was due largely to the fact that Bob Scribner pinned his man just one second after the time limit had run out.

It is hoped that next year, with the return of more experienced boys, Governor Dummer wrestlers will bring in more points.

The Glee Club

BY AL FIRTH

The Governor Dummer Glee Club, directed by Mr. Arthur W. Sager, has one of the finest reputations of preparatory school glee clubs. The boys' great interest in this extracurricular organization may be estimated by the large number who go out for it in the fall term. Because of the large inflow of new boys in the club this year, Mr. Sager had an unusually stiff job of training on his hands.

This careful training by Mr. Sager and Mr. Stone bore fruit in our first concert, in the Newburyport High School. Although this concert was earlier than usual, the reputation of the club was upheld by its grand work there.

Three joint concerts were held by the club this year. The boys were hosts to Abbot Academy of Andover and Walnut Hill School of Natick. After each of these concerts, dances were held in the living-room of the Phillips Building. The Glee Club was also entertained by the Bradford Junior College. This concert was also followed by a dance.

The highlight of the season was the concert at Symphony Hall in Boston where the Glee Club combined with fifty singers from each of the following preparatory schools: Dana Hall, Walnut Hill School, Pine Manor, The Beaver Country Day School, Phillips Exeter Academy, Phillips Academy at Andover, and Milton Academy. Approximately three hundred voices blended with the New England Conservatory Orchestra to present Mendelssohn's "Hymn of Praise" to a highly appreciative audience.

The annual Commencement Concert climaxed the Glee Club's successful season.

Bradley Roberts, elected president at the beginning of the season, proved to be very capable in leading the club through its successful season; and the splendid solo work of Shepherd Sikes and of Richard Hinnens greatly aided the Club.

The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In secondary schools its function is, therefore, comparable to that of the *Phi Beta Kappa Society* in colleges.

The by-laws of the society state that to be eligible for election a student must attain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his

class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities or deficiencies, and the nature and number of the courses on which his average is based.

This year the annual initiation banquet was held on Friday evening, May 18. David McCord, poet, anthologist, and editor of the *Harvard Alumni Bulletin* was the speaker.

The Rifle Club

BY MR. WILLIAMS

The Rifle Club, newly formed this year, has thrived beyond all expectation. Its range on the hill south of the hockey pond has been used steadily all the year in spite of the fact that the shelter did not survive the gales in January. The Club's affiliation with the National Rifle Association enables it to buy ammunition and to present awards offered to junior members. One hundred thirty-five awards have been won, and some very skilled marksmen have been developed. The Club expects to arrange matches with neighboring school clubs in the near future.

The Ski Squad

BY BOB BARR

Skiing in the past has been rather neglected here at school, due to the lack of a good slope. However, this year under the expert guidance of Mr. Colin F. Soule, a former member of the famous Dartmouth Ski Team, the sport swung into its first real season with a small but enthusiastic squad of thirteen boys. Their activities were rather limited, consisting of a few contests among themselves and a couple of country trips, one of which was an excursion to Locke's Hill in Amesbury where the boys enjoyed a Sunday afternoon trying their new turns on a more difficult slope.

Mostly underclassmen were chosen for the squad so that next year, when they return, the school may have some well experienced skiers to compete in already planned meets.

RICHARD HAWES FRANCIS SCHOLARSHIP

HARVARD ALUMNI PRIZE

Richard Arthur Korner

Presented by the Harvard Alumni Club of the North Shore to an all-around boy in the Junior Class.

SPECIAL PRIZES

To William Henry McKenna of Newton. Editor of the *Archon*, Captain of hockey, member of the Glee Club, headwaiter of unquestionable authority. Bill has brought to his varied activities a strong and enthusiastic school loyalty, punctuated by an apt and refreshing wit.

To William Neal Campbell Jr. of Kennebunk Beach, Maine, whose original impact on the school resembled a tornado with sound effects. In the course of one year, Bill has made noticeable progress in his studies and more particularly in his judgment and self-control.

To Frederick Harrison Johnson, Jr. of Bradford. Fred has always chosen the hardest jobs and has always done them well. As manager of the athletic stockroom, his administrative and executive talents were devoted daily to the service of the school.

To Spaulding Bisbee, Jr. of Cape Elizabeth, Maine, an exile from the Maine woods, who has borne cheerfully with the confinement of civilization and fittingly, has captained the old indoor game of Lacrosse. In all phases of the work program, whether driving the snow plow or felling trees, Joe Bisbee's willingness has been equalled only by his competence.

To William James Hale, outstanding among the day boys by virtue of his all-around athletic ability, his improvement as a student, and his loyalty to the school.

To Andrew Lehr Brillhart of Bethlehem, Pennsylvania. Natural, genuine, enthusiastic, Andy's three years at Governor Dummer have been full of solid, satisfactory accomplishment. Just one more proof of the old saying, "You cannot beat the Dutch."

To George Pomeroy Kingsley, Jr. of Bethlehem, another cheerful Pennsylvanian who deserves a prize because of his improvement as a scholar, resulting from hard conscientious work over a period of three years.
